

Mariola Jabłońska

Key Account Manager, B2C Credit Management Division

Jak mogę pomóc

I provide claim management services to corporate clients, mainly lending institutions, insurers and securitization funds. I ensure that all procedures are carried out in an appropriate and timely manner, from accepting the case, through pursuing amicable dispute resolution, to taking steps leading to litigation and enforcement proceedings.

I am also responsible for contact with debtors, courts, and cooperating institutions. I also handle cases on pre-litigation and litigation stages.

Experience

I provide claim management services to corporate clients, mainly lending institutions, insurers and securitization funds. I ensure that all procedures are carried I co-create and update operational procedures and work on the process standardisation in our firm.

At the same time, I am responsible for onboarding of new employees and I offer the team members ongoing substantive support. I am in direct contact with clients, paying particular attention to the individualisation of each procedure, which is a key element of effective processing of the credit portfolios entrusted to the firm by its clients.
