Legal Director RK RODO, Legal Expert RK Legal

## Jak mogę pomóc

My over 12-year-long experience in corporate legal assistance is focused on personal data protection and mass-scale debt recovery.

I have supported numerous small, medium and large enterprises from various industries in matters related with data protection law, enforcement, civil and bankruptcy proceedings as well as banking law. In 2018, I defended my doctoral dissertation on banking law.

## Experience

My experience is the result of 12 years of collaboration with RK Legal, including advocate practice since 2019. I am a member of the GDPR Working Group at the Ministry of Digital Affairs aimed at clarification and solving of practical problems concerning personal data protection reported by entrepreneurs.

Below you will find the key areas in which I assist entrepreneurs in their on-going business.

- holding the function of the Data Protection Officer in organisations with various profile of activity
- provide expert knowledge in the matters of personal data protection
- implementing GDPR in small, medium and large enterprises
- audits of compliance with the personal data protection law
- group training and individual workshops on personal data protection
- collaboration in developing codes of conduct for personal data protection in various industries
- representing clients in administrative and court proceedings
- mass-scale and individual debt collection
- legal assistance to banks and financial institutions in the area of civil law and banking law
- training sessions, workshops and scientific conferences
- drawing up procedures, policies and other documents governing the work of debt collection companies
- expert advice on enforcement law and civil proceedings for payment.
