Associate, Litigation Department

Jak mogę pomóc

At the Litigation Department, I am responsible for comprehensive legal services for corporate clients, mainly from the banking sector.

I specialise in civil law cases, in particular relating to claims arising from credit agreements, as well as in banking, bankruptcy and restructuring law.

Experience

I am responsible for comprehensive legal services to corporate clients, mainly from the banking sector. My experience in this area focuses on the enforcement of claims in court, drafting pleadings at every stage of the judicial proceedings, including those under the Electronic Writ of Payment Procedure.

I also have experience in bankruptcy and restructuring law. I am responsible for comprehensive protection of the interests of creditors in the course of proceedings, in particular when filing claims, objections, verification of documents and legal acts, as well as supervising the course of bankruptcy proceedings.

Additional information

My scientific interests focus on the criminal law. I wrote my first master's thesis in this field, at the Department of Criminal Law at Cardinal Stefan Wyszyński University in Warsaw under the supervision of prof. UKSW dr hab. Dariusz Bork "Nasciturus as a subject of protection in canonical and Polish criminal law".

Due to my interest also in civil law, I wrote my second master's thesis on the subject of preliminary contracts in real estate trade under the supervision of prof. UKSW dr hab. Marek Świerczyński, at the Department of Civil Law at Cardinal Stefan Wyszyński University in Warsaw.
